1950

BOOKS, LISTS, TABLES AND RETURNS OF ASSESSORS

MASSACHUSETTS GENERAL LAWS, CHAPTER 59

SECTION 43. The assessors shall make, on the books furnished as provided in section forty-five, a list of the valuation and the assessment thereon, in the following manner: In each column provided in the book or books so furnished shall be entered the valuation of that portion, if any, of the personal property of each person and corporation, indicated by the heading thereof. The total amount of the taxable personal property shall be shown, but without other detail or specification than is provided for herein. Before the taxes are committed for collection they shall deposit the books, or an attested copy thereof, in their office or, if there is no office, with their chairman, for public inspection.

SECTION 44. The list shall exhibit the valuation and assessment of the polls and estates of the inhabitants assessed; and the valuation and assessment of the estates of non-resident owners, and shall contain the names of the non-resident owners of the property assessed, or such description of them as can be given, their places of abode, if known, the description of their estate, the true value of such estate, and the tax thereon.

SECTION 45. Each city or town shall provide, on or before January first, annually, suitable books, for the use of its assessors in the assessment of taxes, which shall contain blank columns, with uniform headings for a valuation list, and blank tables for aggregates, in the following form or in such other form as the commissioner shall from time to time determine, or in such other form as he shall approve.

* * *

SECTION 46. The assessors shall enter in the books so furnished the valuation and assessment of the polls and estates of the persons assessed, as directed in the headings of the various columns and shall state the value of each building described, including therein water wheels but excluding land and water power and machinery used in the building.

SECTION 47. The assessors shall fill up the table of aggregates by an enumeration of the necessary items included in the lists of valuation and assessments, and shall annually, on or before July first, deposit in the office of the commissioner an attested copy of the same.

SECTION 48. Annually on or before January fifteenth, assessors shall report to the commissioner in the form prescribed for tables of aggregates by the two preceding sections the facts as to any and all assessments made.....under section seventy-five.

SECTION 49. The assessors, except those of Boston, on or before July first, nineteen hundred and twenty-two, and in every third year thereafter, shall deposit in the office of the commissioner, a copy of the assessors' valuation books of those years, to be by them certified under oath. This shall not excuse, in such years, the filing of a separate copy of the table of aggregates under section forty-seven.

SECTION 50. The books required by section forty-five shall contain a copy of this section, of sections forty-three to forty-nine inclusive, and of sections eighty-four and ninety-four, and such certificates as are required by law to be signed by the assessors, with such explanatory notes as the commissioner considers necessary to secure uniformity of returns under the several headings.

SECTION 51. The asessors shall enter upon the valuation list, in the appropriate columns after the enumeration of the persons and estates liable to taxation therein contained, a statement and description of all the property and estate, with the fair cash value thereof, which is exempted from taxation in their respective towns pursuant to the provisions of the first fifteen clauses of section five, or for the reason that it is owned by a county, city, town or district and put to a public use, with the names of the persons or corporations owning the same and the purpose for which it is used, and with a reference to the law, if any, by which such exemption is allowed.

5192

SECTION 84. If the assessors of a town ascertain that the aggregate valuation thereof has been diminished since January first of the preceding year, they shall return with the table of aggregates, or with the books, which they are required by sections forty-seven, forty-eight and forty-nine to deposit in the office of the commissioner, a statement, on oath, of the causes which in their opinion have produced such diminution.

* * *

SECTION 94. An assessor who neglects to comply with sections forty-six, forty-seven, forty-eight, forty-nine or eighty-four shall be punished by a fine of not more than two hundred dollars.
